THOMAS ROLLS BIG GAME AND SET FOR POTOMAC ELECTRIC

Team Jumps Out of Second Division as Result of Three Straight Victories.

BAKERS DROP BEHIND

Miller All-Stars and Center Mar ket Roll Return Match at Maloney's Allcys.

By KIRK C. MILLER.

Two Commercial Duckpin League records were jeopardized when the Potomac Electric Power Company team won three straight from the Merchants Transfer and Storage Company quint. Thomas, anchor man for the Pepcos, was the kingpin of the match when he figured in a new league record for high set, 376, and equaled the league standard for

high game, 145.
The victory just barely pulled Pepco from the second division into the first section, and gives the Electricians the best chance they have had this season to climb into the charmed circle of topnotchers. With a record of 25 games won and 26 lost, Pepcos displace General Baking Company for fifth place, and Woodward & Lothrop must roll up to form in order to hold onto fourth place if the Pepcos keep up the pace established last night... Miller's All Stars have agreed

pon next Tuesday night for the return engagement with the Center Market team. The match will be rolled upon Pete Maloney's southeast alleys, and the largest crowd which has ever attended a match game between two picked Washington teams is expected to be present. The All Stars have a 100-pin lead on the Marketers, following the first block of five games which were rolled Thursday night and this margin is just sufficient to create keen interest among competitors and spectators alike.

Maloney is arranging elaborate provisions for the visitors next Tuesday, and the spectators will find every convenience at their disposal at the time of the All Star-Market match. There is a rumor current to the effect that Center Market will have two new men the line up although this is not comin the line-up, although this is not com-firmed by Manager T. T. Keane.

The winners of the ten-game series are to be entertained at an elaborate banquet at the expense of the losing five. This form of competition has be-come quite popular among the bowlers, following the first match which was rolled between the All Stars and the

hances in the National Capital League to the extent of three games when the Capitol Hill rollers were met at the E Street Institution. "Skinny" Carroll was the star of the evening as a con-sequence of a 127 game rolled in the third round. Carroll and "Pop" Halley were tied for high set, each getting figures of 352 for their three games.

Burton Mank, the challenger in beof Poehler and Riddel York, was the guest of the Palace team following the set with Capitol Hills. There seems to be little likelihood of a two-man match between Washington and New York, but a five-man com-petition would undoubtedly attract the local champions. Since the advent of one Count Hoffman, Washington is one Count Hoffman, Washington is looking twice before taking any

Of the four teams which rolled in the Intercouncil League, not one was able to establish an advantage. Spalding took two out of three from Potomac while Keane recorded a similar at the expense of the Carrolls.

Store Room looked like a new team

when they faced the Car Department boys last Friday, and by good con-sistent bowling captured two out of the three games. Store Room won the first, lost the second and won the third. Their third game of 500 was their best of the evening. Sparks, of the win-ners, got off to a bad start, but finished by strong with a 113 game. Captain ners, got off to a bad start, but finished up strong with a 113 game. Captain Raedy, however, was consistent in all three games, and got over a 300 set for the night. Hiscock also toppled the maples in good shape, and finished up I with a 104 count. Peed, who has not been in the line-up for the winners for some time, also got a good game in the nightcap. Mattingly, for the losers, got high game for the night with a 115 game in the middle contest. Captain Recorder, of the Car Department team, was not in his usual form, but managed to finish up with a good game. Riley, of the same team, got three games, all of them being up in the nineties.

Disbursers and Auditors put up three Disbursers and Auditors put up three pretty games last Tuesday night, neither team swinning a game by more than ten pins. Though no big scores were rolled, yet the games were so close that the boys were kept on their toes from start to finish. Captain Lehmann's Disbursers captured the first game by eight pins, lost the second by nine and the third by ten pins. Heck and Weeks were big factors in winning the last two games for the Auditors. Heck by striking in the last box of the third game put this contest on ice for Auditors. Matthews also came strong in this contest, and toppled the strong in this contest, and toppled the little sticks for 104.

For the losers, Weiss, Cohill, and Hill did the best bowling. However, Cohill, with 106 and 102 for his last two games, was the best pin getter for the losers. Hill also got a good game in the last contest, and in two spares finished with 102 count.

Captain Williams' Transportation boys breezed in winners with three games to their won column at the expense of Captain Erman's Electricians, who were badly handicapped by the ab-sence of several of their best bowlers. Transportation, however, put up three good games, and deserved all three vic

Captain Williams shot good duckpins of the first two games with scores of the first two games with scores of the and 110, but bad splits in the third knocked him out of a good set for the hight. Dickinson, of the winners, shot night. Dickinson, of the winners, shot his usual good game, his best effort going for 104, while his two other games were well up in the nineties. Kohl, lead-off man for Transportation, also shot three good games, and was instrumental in winning these games. Grimes came back to life in the third and got a good score for his final and got a good score for his final act. Cline, White, and Wyne, for

COMMUTERS' RATE CASE UP FEB. 10

Testimony before the Interstate Commerce Commission regarding the proposed increase in commutation rates on the Metropolitan branch of the Baltimore and Ohio railroad was concluded late yesterday and Examiner Woodward announced that arguments would be heard February 10.

Attorneys for the commuters attempted Attorneys for the commuters attempted to have a later date set, but the examiner said if that was done the arguments could not be heard till June and that he did not want to delay the matter so long.

E. S. Classel, a real estate dealer, tesified that he believed the proposed higher rates would cause 100 cottages in Washington Grove to stand vacant next summer.

At the beginning of the hearing Com-missioner Daniel ruled that no con-tractural relation between the railroad and residents of the suburbs would have any standing in the adjustment of the

rates.

In reply to a point made by the railroad officials that certain of the commuters had not protested then the rates on the Pennsylvania lines were increased recently, J. H. Boydon, of Glendale, Md., submitted a copy of a protest Owing to a misunderstands. protest. Owing to a misunderstands, however, this protest was not filed with the Interstate Commerce Commission until too late.
